K2 DRAFTERS

Project Consultant & Engineers
Engg / Struct/piping/ Civil / Elect.drg
Design & Development
3d Modeling, Animation
Cad Conversions

Since 1998

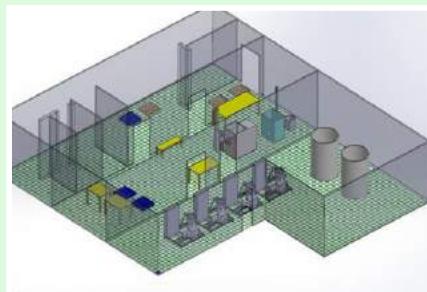

We are group of technical in field of designing from 1998, based in India, Mumbai & providing Design, Development, Drafting Services to Fabricators, Pharmaceuticals, Chemical Companies, Engineering Companies, Consultants & Other many types of Companies in various fields.

We are Handling Many Types of Drawings in Various Fields:

- Pipe rack modification, design, drawing with certification.
- Surface Area Calculations.
- P & ID.
- Equipment Layout. / Factory Layout.
- Equipment G.A drawing.
- Manpower Deputation.
- Design & Drawings of Chemical Equipment
- Stress Analysis of Piping & Drawings
- Structural Design & Drawings
- Electrical Development & Drawings
- Special Purpose Machine Development & Drawings (SPM)
- Material Handling Equipment
- HVAC Ducting Design & Drawings
- Civil Design & Drawings

OUR SPECIAL FEATURES:

- As-Built Project Drawings
- 3D Modeling & Animation
- On-Site Drafting Services /
- Manpower Deputation
- Cad Conversion

ASTRO MECH

STERILIZATION AND DEPYROGENATION TUNNEL

ABOUT

Established in the year 2000 we are one of the eminent manufacturers, suppliers and exporters of a wide range of Sterilizing & Depyrogenation Tunnel.

VISION

With the passing years, we are in the process of expanding our market base across East Europe, East / Middle Africa and the Indian Subcontinent. Our Vision is to gain many prominent clients from different sectors.

OUR PRODUCTS

Our Sterilizing & Depyrogenation Tunnel are manufactured using superior quality components, so that these deliver excellent performance and low maintenance cost.

Fabricated in compliance with Bureau of Indian Standard BIS and CGMP specification.

OUR CLIENTS

We have supplied more than 100 of our Sterilizing Tunnel to various clients across India as well as Nepal, Bangladesh, Africa & Russia

Fulfils every need of manufacturer...

V.K. Engineers : Manufacturer of Process Plants for Pharma, Dyes, Food & Sulphuric Acid, So3 Plant Equipments and accessories with 23 years of vast experience for many clients.

V.K. Engineers are now well placed to cater to any major Fabrication requirements of your company.

V.K. Engineers is specialized in fabrication of Stainless Steel, Alloy Steel and Mild Steel construction to all applicable ASME/ASTM and IS Codes under external inspection.

V.K. Engineers have necessary support facilities in close vicinity for high thickness dished ends, forging, stress relieving and 100% radiography requirements for any special fabrication jobs. Well equipped fabrication facility and in house large machine shop provides us an edge over others in meeting special requirements of Rotating Machines like Large Agitator Assemblies, Bearing Housings & Dryers.
